

**WESTSHORE EXISTING BIKEWAYS BY TAC CLASSIFICATION**

Date: July 22, 2004  
 File name: O:\Departmental\RPS\Cycling Network\Cycling Inventory 2003\...Westshore\_Existing\_Bikeways.mxd

**About the Data:**

The existing bikeways by classification is based on the inventory conducted by CRD in the past years, the latest of which was in August 2003. Updating the status of the network is an on-going process. The recommended Regional Cycling Network (RCN) is a result of series of consultations and workshops conducted by CRD in 2002.
